2023 Gift Guide

89 corporate holiday gifts for clients & employees (that don't feel so corporate)

loopandtie.com

Last holiday season, our customers sent over 70,000 gifts through Loop & Tie! It's safe to say we know a thing or two about giving great gifts.

The impact of corporate gifts goes far beyond the people who receive them. Loop & Tie makes gifting more sustainable for:

The Planet

Through sustainably focused gifts, carbon offsets, and environmentally-friendly packaging

The Economy

By bringing large corporate gift budgets to small businesses, independent makers, and founders from historically underrepresented communities.

The World

With the ability to donate gift-value to charitable organizations in every collection.

Make an Impact

Your holiday gifts are a part of something bigger

Traditional corporate gifting can do more harm than good, from the largely unregulated human impact of manufacturing of mass goods to the unchecked emissions of millions of deliveries.

Loop & Tie sources responsible, small-batch goods, delivers them in re-usable, return-able packaging, and offsets the emissions of each shipment through our environmental regeneration initiatives.

Through working with companies just like yours, we've been able to...

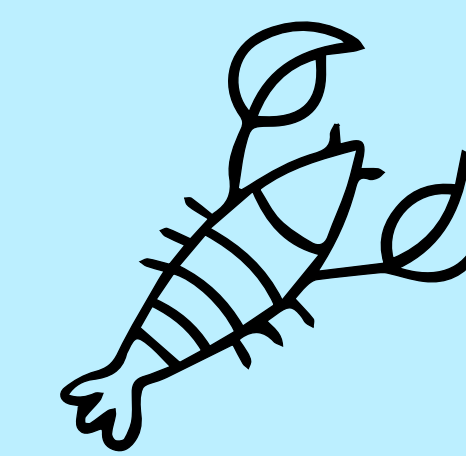

500k+

trees planted and growing,
that's 28 Central Parks.

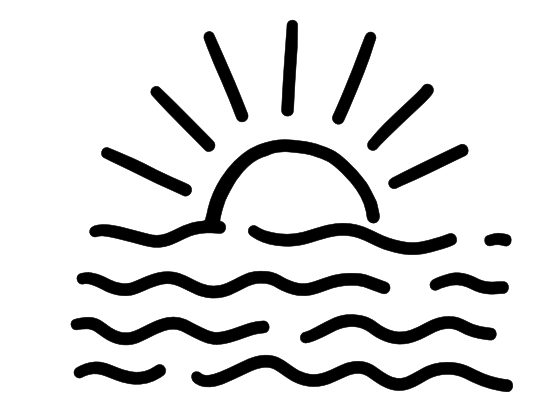

36m+ lbs

of carbon sequestered to
date! That's like removing
3550 cars from
our roadways.

100k+ lbs

of ocean-bound plastic
removed. That's heavier
than 66,000 lobsters.

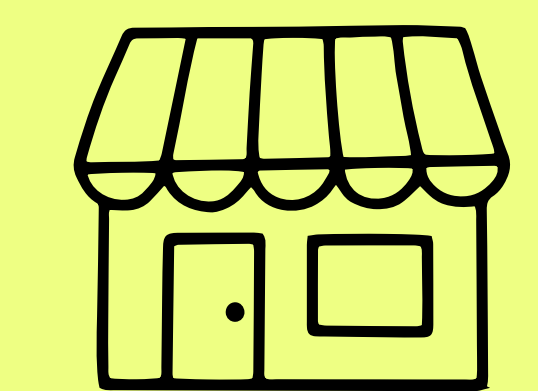

42k+ lbs

of plastic removed from the
middle of the ocean. That's
more than the weight of
6 orca whales.

\$1.6m+

charitable contributions
made. Your generosity has
gifted-it-forward to
834 causes.

1,000+

small businesses
supported. That's enough
stores to fill 20 large
shopping malls.
